

Sketching on the Ipad 101

Sarah Roche

SSAC/7/14

Please come to the class with the following apps loaded onto your iPad, and your Ipad charged and ready to go !!

You can find them in the App Store - they are all free or very cheap

Also please have your **Apple Password** with you

My Brushes Pro

Adobe Ideas

Drawcast

ASketch

Sketchbook Express

And a **Griffin Technology stylus** or equivalent

It should have a rubber tip.

Don't worry about the thickness of the tip. You control your line on the screen.

Notebook

Pencil

Charger
