## DONATE

The mission of the South Shore Art Center is to enrich the communities south of Boston by engaging artists and by fostering an understanding & appreciation of the visual arts through exhibitions and education.

## A Message from Kelly Netishen

Welcome to South Shore Art Center’s 71st Annual Arts Festival! This year we are reminded of why traditions and freedom play an important role in the continuation of arts in our country. As we grow older, time only seems to speed up. Yet the annual Arts Festival on the Cohasset Common seems to always bring us back to a time frozen in the simple celebration of friends, family, and of course fabulous art and art making.

This year, gallery artist and fine photographer Keith Conforti created our 71st Annual Festival cover celebrating the 250th birthday of America. When looking at years past paintings and photographs of our much-loved arts festival, you can often find the spire of 1st Parish church captured in the landscape. It is important to note that this beacon on the Cohasset Common is as old as our country and that the Declaration of Independence was read from its church staircase on July 4th, 1776. As we reflect on the freedoms and liberties our country was founded, let us also celebrate our freedom to create, gather, and promote artistic endeavors over this special Father’s Day Weekend.

If this is your first time taking in the wonderful art, live music, and children’s activities, we hope our annual festival will become a tradition for you and your loved ones. In the words of Bruce Lee, “Art lives where absolute freedom is because when it is not, there can be no creativity.” We hope you will be part of our weekend celebrating the freedom of creativity for many more years to come.

Thank you to all our sponsors and volunteers that make the South Shore Arts Festival possible. Enjoy this celebratory weekend on the grounds of where our country’s historic freedoms began!

With gratitude,

Kelly Netishen  
Executive Director
